**Media Contact:** Ashley Lynn Priore, [ashleylynnpriore@tggchess.institute](mailto:ashleylynnpriore@tggchess.institute), 412-354-0996

Volunteer Guidelines  
Support Chess Today

Thank you for your interest in volunteering with Queen's Gambit! We always are in need of energetic, responsible, and driven volunteers to support our work. Please read below some steps to get started:

- 1.) **Set up a time to chat with us** ([letsplay@tggchess.institute](mailto:letsplay@tggchess.institute)) about your interests. We have a lot of work to be done, but we want to make sure we find the right fit first. Internships and volunteer opportunities provide different experiences. Read about internships [here](#).
- 2.) If you plan on teaching a class, supervising a club, or volunteering at an event, make sure you have updated clearances. You can find more information [here](#). **Email your clearances** to the address above.
- 3.) After you find time to chat with us and send you clearances, we will share a **volunteer opportunities guide** to you.
- 4.) Depending on the work, you might need to **complete additional paperwork** (confidentiality or photo release forms). We will walk you through that process once we talk.

Shoot us an email today. We look forward to chatting and working together to support chess across the region! As always, keep playing chess!
